Together in Excellence

6th RENEWABLE ENERGY POSTGRADUATE SYMPOSIUM

First Announcement & Call for Abstracts

5 & 6 September 2016

The Centre for Renewable and Sustainable Energy Studies in collaboration with University of Fort Hare is hosting the annual national postgraduate symposium to provide masters' and doctoral students the opportunity to present their research. **In 2016 the focus of the symposium will be on wind, ocean, bio-energy, solar, PV and CSP, renewable energy finance and renewable energy policy**. The programme will be communicated in due course.

All academics and students with an interest in renewable and sustainable energy are welcome to attend. Students that will present their work will be required to submit abstracts that will be published on the Centre's website at: <http://crses.sun.ac.za/service-conferences>. Abstracts will be published in a book of abstracts.

Date and Venue

5 & 6 September 2016

University of Fort Hare Senate Chambers, Alice, Eastern Cape

Important Dates

Abstracts Due:	29 April 2016
Notification of authors:	16 May 2016
Full Papers Due:	30 June 2016
Final Papers Due:	8 August 2016

Students who are interested to participate are requested to e-mail their abstracts and contact information to Ms Sandy Heydenrycht by **29 April 2016** at crses@sun.ac.za or contact her on 021 808 4069.
